DETAILED ACTION

Allowable Subject Matter

Claims 1, 4-5, and 8-10 are allowed in view of the prior art.

The following is an examiner's statement of reasons for allowance:

As to claims 1 and 5, the prior art of record, taken either alone or in combination, fails to disclose or render obvious a method of operating a Fourier transform infrared microscope in association with a scanning spectrometer and a corresponding system for carrying out Fourier transform spectroscopy, this method and system comprising the synchronization of the incremental movement of the moveable stage of the microscope with the scans of the scanning spectrometer, the movement of the stage initiated by a signal generated by the scanning spectrometer at the completion of a data collection step of a spectrometer scan, in combination with the rest of the limitations of the above claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Lyons whose telephone number is 571-272-2420.

The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gregory J. Toatley can be reached on 571-272-2800 ext. 77. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Application/Control Number: 10/779,959

Art Unit: 2877

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
